

Dear Potential Applicant for the Spiritual Direction Institute,

We are happy to respond to your request for information about the Spiritual Direction Institute, a training program to prepare persons to be spiritual directors.

Application materials are enclosed with this letter, as follows:

- An application form for yourself
- A form to be filled out by your sponsoring faith community.
- Please print three (3) forms for evaluating you in terms of this ministry and recommending you for it. These forms may be given to persons who know you from ministry, from work situations, friendship, etc., preferably neither your spouse nor the person completing the sponsor's recommendation form.

All forms are due to the Emmaus Spirituality Center as soon as possible. One of the SDI staff members will begin reviewing applications as each arrives. Once your application is completed, you will be called for an interview.

The Fall 2020 group will meet weekly on Saturday mornings beginning in September from 9AM to Noon. You will continue to meet at this time for all three years.

Please note: The Spiritual Direction Institute is an on-site program located on the premises of the Emmaus Spirituality Center. As we currently find ourselves in the midst of the pandemic, it is expected that the Fall 2020 sessions will be conducted via a Zoom platform until it is safe for us to gather together.

Since our space is limited (we take a maximum of 20-22 in each group), we may not be able to accept all who are qualified at this time. If you are presently studying in another program, we suggest that you complete it before you apply. We are looking for a call to the ministry of spiritual direction, updated theology / Scripture within your tradition, and some familiarity with psychology and current theorists. A bachelor's degree is preferred.

It is particularly helpful for Roman Catholics to have completed the FTCM curriculum offered by the CCE Office in this diocese or its equivalent. For those in other traditions, you would be asked to have the equivalent within your own denomination.

It would also be helpful to secure a spiritual director before September for yourself, if you do not presently have one. We would be happy to talk with you about the program or any of the application procedures.

We look forward to hearing from you. Please do not hesitate to contact us if you have any questions about the program or the admission requirements and/or alternatives you may possess. Be sure of our prayers as you discern your call to this ministry.

Sincerely,

Kathleen Messina
